#### Johnson Captures President's Cup!!

Experienced member Jim Johnson had the round of his life on Sunday. Posting a net 61, the youngster was 3 shots clear of his nearest competitors Jack Currie and Neil Cruden. For his efforts Jim choose a \$50 gift certificate for the bar. He also will have his name engraved on the Presidents plaque for all time. On the gross side Greg Koster, Tyler VanAn-Rooy and Robin Ward had a playoff (all posted 1 over par 72s) for the remaining \$50 gift certificate with Koster eventually claiming the prize

#### Two Ball Best Ball Net/Gross This Sunday!!

This coming Sunday choose your partner and have a chance to win the Two-Ball best ball net/gross. Playing with your partner you record your best team net and gross score for each hole. This is not a scramble or alternate shot. You play your own ball and record your own score every hole. The best net or gross score from the two man team is recorded for every hole. The winners of the low net and gross scores receive \$30 gift certificates and the runners up in the net/gross win \$20 gift certificates. All other ball sweep prizes are in play as well as all the other "junk". See you all this Sunday!

#### Whose Legs are these anyways?

The boys have broken out the shorts and are showing off their legs. Can you correctly identify Dave Stevens legs?? First one to e-mail the correct answer wins a ball of their choice from the Pro-Shop.

#### Who Will Knock Costello off his Perch?

Earl Costello still sits atop the Midland Tool Cup standings. With a 100 point lead over Darrell Smith and Randy Bennett the long time member is clinging to a thin lead. Can he keep up the pace with 14 weeks to go? On the flip side Ken Cottini, Dan Woods, Vance Johnson and Emil Zapotoczny are on the wrong side of the cut line. All it takes to get above the cut line is to attend Wednesday night Mens' Club for those above individuals. Remember that those above the cut line after week 22 will advance to the first round of the Midland Tools Cup final. Full results next page.

#### Dawson most accurate on Par 3's!!

If you take a close look at the Midland's Cup points you can see that Rick Dawson has a commanding lead in KP's. What's even more impressive is that Rick has attended 6 of 8 Sunday mornings and his nearest competitor is 125 points behind him in the KP category. I guess it's

time to call him "Deadeye Dawson"! Well done Rick!

#### Rose Bowl Matches Heating Up!!

There are still plenty of competitors alive in the every popular Rose Bowl Match Play competition. Because of the double knock out format only a few of the original 46 participants have been eliminated. Please check the draw on the Men's Club bulletin for your next match.
